Bikini Airways

This ode to flying foxes in skimpy swimwear is the inevitable result of riding a can't-miss formula as far as it will go. Beginning with *The Bikini Carwash Company* (1992), through *Bikini Bistro* (1995) and *Bikini Traffic School* (1997), the combination of hot women wearing teeny bikinis never fails. It was only a matter of time before these beachfront bombshells took to the air. Directed by fleshmeister Fred Olen Ray—under the pseudonym of Nicolas Medina—*Bikini Airways* (2003) is dedicated to those sexy swimsuit-clad stewardesses who ensure that plane travel is as titillating as it is convenient. We offer you a 747-sized glimpse of the jumbo-chested gals who make sure you fly *extra* friendly skies. So sit back, buckle up and refrain from smoking—because when you take a ride on *Bikini Airways*, the “air-bags” are always deployed!

GIRLS OF THE

By Ramsey Steele

O.C.

It had to happen: The at-one-time-white-hot primetime teen-soap-opera *The O.C.* was cancelled in January just as it was winding down its fourth sizzling season. The Fox Network's former favorite used to tease us that the series' titular setting—Southern California's Orange County, as if you didn't know—is “where all the

beautiful people live.” Well, for the past four years, we've got to admit that, yeah, it sure as hell was! Set in the uber-wealthy community of Orange County's Newport Beach, *The O.C.* has proved to be television's sexiest stomping ground for post-jailbait poontang. Sure, the series' soapier, TV-friendly elements didn't leave us

feeling as dirty as we would have liked, but we know you'll agree that the show packed a pulchritudinous punch with its line-up of TV's slinkiest starlets. What better way to honor the end of a broadcast era and celebrate rites of Spring Break than to present you with some outstanding glimpses of the sexy girls of *The O.C.*!

NAME: Mischa Barton

BORN: January 24, 1986, London, England

HER CHARACTER ON THE O.C.: Marissa Cooper, the show's gorgeous, wealthy, Southern California girl-next-door, who—for some reason known only to dim-witted Hollywood suits—was shockingly killed off at the close of the show's third season!

SEXY SIGHTINGS OUTSIDE OF THE O.C.: While she certainly turns in a sizzling and scantily clad performance in this year's indie offering *The OH! in Ohio* (2006), magnificent Mischa has never officially degarbed for any cinematic endeavors. Happily, though, our magazine has already published a handful of snaps of Mischa slipping in and out of her wayward upper garments while making the scene on the beaches of Southern California!

FAVORITE QUOTE FROM HER ON THE O.C.: “Of course I'm screwed up. I'm the daughter of a thief and a slut.”

NAME: Jaime King (1 episode, 2005)

BORN: April 23, 1979, Omaha, Nebraska

HER CHARACTER ON THE O.C.: Model-turned-actress Jaime King's one-shot guest appearance in the season two entry “The Return of the Nana” remains one of the show's most memorable episodes. As a Southern sexpot named Mary-Sue, she enters an MTV-styled dance contest with one of The O.C.'s more macho male stars—and reduces him to chopped liver with her choreographed carnality!

SEXY SIGHTINGS OUTSIDE OF THE O.C.: We had our first run-in with Jaime's jigglers when she gave them a little arts'n'crafts makeover in the summery spoof *Happy Campers* (2001). Cut to last year's *Sin City Recut, Extended and Unrated* (2005) to get an even more colorful and comic-book-styled glimpse of said jug-ulars!

FAVORITE QUOTE FROM HER ON THE O.C.: “It'll just take a second.”

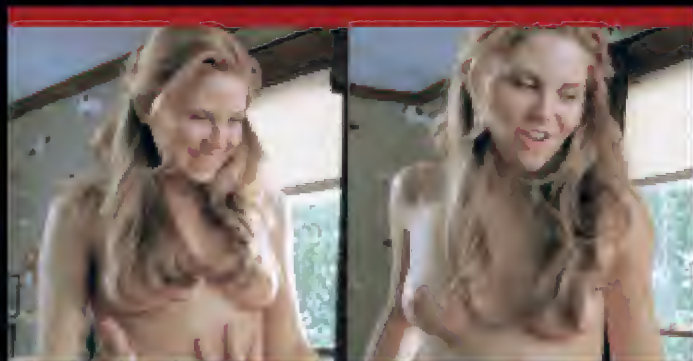

NAME: Shannon Lucio

BORN: August 17, 1980, San Antonio, Texas

HER CHARACTER ON THE O.C.: Shannon's Lindsay Gardener was a second-season addition to *The O.C.* Playing a studious but undeniably hot gal, she's from a considerably less wealthy economic bracket than the show's other babes. But this Gardener ain't just about to sit on her ass and let the weeds grow: She's sharp, sexy, plays the oboe and proves to be a tempting morsel for her high school's baddest boys!

SEXY SIGHTINGS OUTSIDE OF THE O.C.: Shannon offered us a quick flash of her lovely "Lucios" in the serial killer bio-pic *Starkweather* (2004), where she portrayed the title murderer's equally homicidal lover. For a sexier sampling of Shannon's skin (albeit, in a bikini!), check out the oh-so-gratuitous TV-flick *Spring Break Shark Attack* (2005).

FAVORITE QUOTE FROM HER ON THE O.C.: "I'm just gonna go wring out my shirt, and stuff toilet paper up my nose, and I'm sure I'll have no trouble fitting in now. So...thanks."

NAME: Nikki Griffin (7 episodes, 2005-06)

BORN: April 17, 1968, Vicksburg, Mississippi

HER CHARACTER ON THE O.C.: Jess Sathers is a blonde and beautiful So-Cal babe with a drug problem. Though it's only a recurring role (Nikki has appeared as Jess in seven episodes over the past couple of years), Jess doesn't appear to be going away permanently any time soon. Besides, she wouldn't want to leave Orange County as long as there is Ecstasy—and other girls' boyfriends—to swallow whole!

SEXY SIGHTINGS OUTSIDE OF THE O.C.: Check out the unrated edition of *The Dukes of Hazzard* (2005) to see Nikki get naughty as a curvy co-ed who gets bawdy in bed with star Johnny Knoxville when he swings by her dorm! And be sure to see even more of Nikki in the DVD's supplemental features!

FAVORITE QUOTE FROM HER ABOUT THE O.C.: Of Nikki's character of juicy Jess on *The O.C.*, she declares, "I knew girls like Jess in high school—with that confidence, that sexual energy, the raging hormones."

NAME: Mindy Clarke

BORN: April 24, 1969, Dana Point, California

HER CHARACTER ON THE O.C.: Julie Cooper-Nichol, who's best known for seducing both men who are half her age and other men old enough to be her granddaddy, all while trying to maintain a relationship with her daughter, Marissa.

SEXY SIGHTINGS OUTSIDE OF THE O.C.: Marvelous Mindy made a straight-to-tape turn as a sweet-as-sugar vixen who transforms into a notably nude zombie-nympho in *Return of the Living Dead 3* (1993). She returned for more nymphet naughtiness in still another direct-to-video sequel, *Return to Two Moon Junction* (1995).

FAVORITE QUOTE FROM HER ON THE O.C.: "Look, Marissa, I'll admit it. I experimented a bit when I was your age. Albeit it involved a little Mötley Crüe and a lot of Jäger."

NAME: Amanda Righetti

BORN: April, 1984, Las Vegas, Nevada

HER CHARACTER ON THE O.C.: The ever-alluring Amanda raises teenage tartiness to an art form with her portrayal of *The O.C.*'s Hailey Nichol, a saucy, trouble-making seductress who moonlights as a stripper to make ends meet!

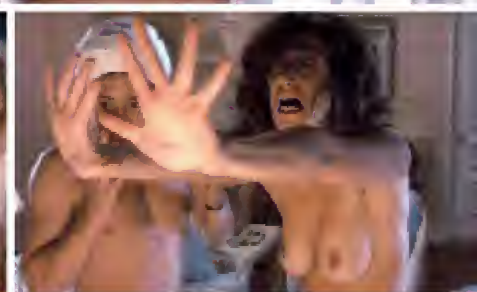

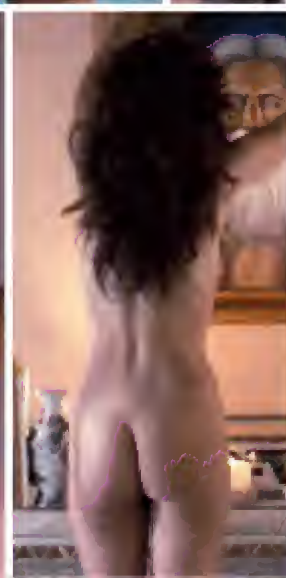

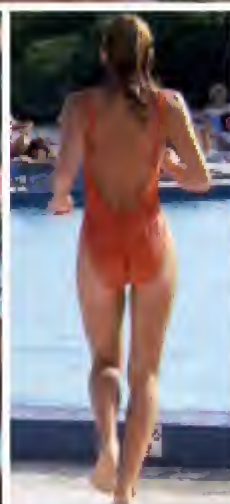

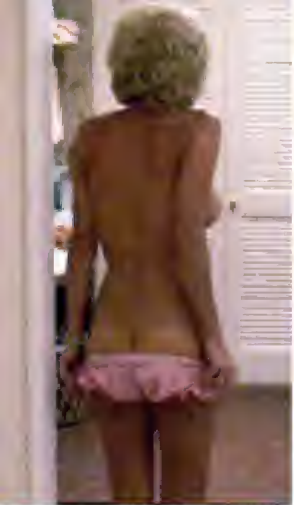

SEXY SIGHTINGS OUTSIDE OF THE O.C.: Wanna know where Amanda picked up her sultry stripper moves for her erotic Orange County oscillating? We're betting that it was on the set of *Angel Blade* (2002), a sleazy little erotic thriller she made right before she joined the cast of the hit TV show. As a Vegas lingerie model who introduces a private dick to Sin City's tantalizing world of underground sex, Amanda's scheming *pudenda*-agenda finds her engaging in all forms of sexual revelry, including stripping, showering—and shaving!

FAVORITE QUOTE FROM HER ON THE O.C.: "It's like a rule, like your parents almost *have* to disapprove. Otherwise the sex isn't any good.... Is that an over-share?"

PRIVATE RESORT

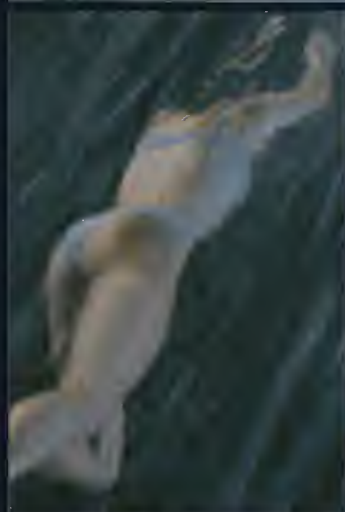

Back before Rob Morrow got any *Northern Exposure* and way before Johnny Depp took over as box office boss, the two starred in this tribute to the ultimate spring break destination, *Private Resort* (1985). In this flesh-heavy Florida-set flick, Rob and Johnny continually run afoul of an uptight hotel detective and a gun-wielding jewel thief known as The Maestro, but nothing can deter our boys from their aim of bedding as many girls as is hormonally possible. Sexbombs Leslie Easterbrook (opposite top), Hilary Shepard (opposite bottom) and Vickie Bensen (bottom & opposite middle) are curvy perfection—as are the dozens of unknown gals who also pop their tops in the movie. So slather on the lotion (uh, for *tanning*, of course), because we're taking you to a *Private Resort*!

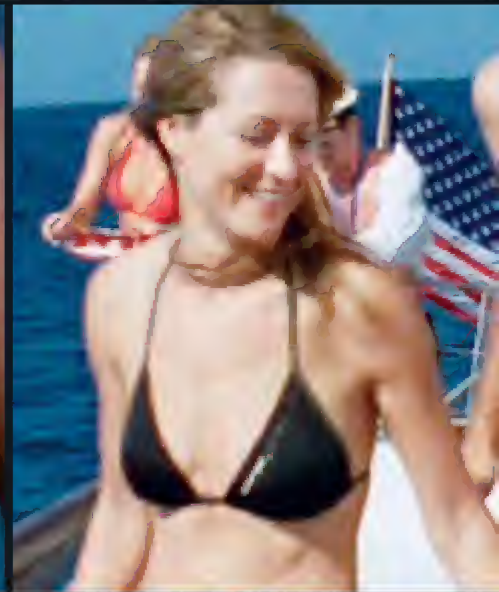

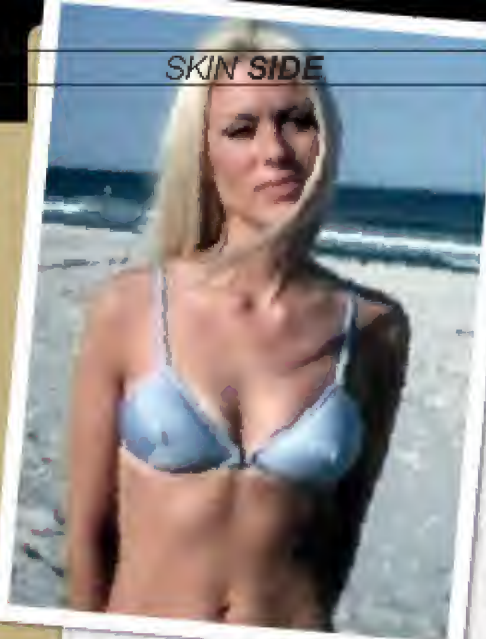

OPEN WATER TOO!

Okay, at first, we were thinking what you are, "Why the fuck would anyone make a sequel to *Open Water* (2005)?" Why? Well, look at the layout, you numbskull! *Open Water 2: Adrift* (2006) gives you the same problem as the original—people trapped in the water—but ups the ante skin-wise. If one hot girl is sexy, then three hot girls equals *super* sexy! *OW2* is about a group of friends who forget to lower their ladder before diving off their yacht for a swim in the ocean. The slippery boat proves too hard to climb back into, and soon enough their fear of water, bad weather, hypothermia and sharks take over. Luckily for us, we can stay dry for wet glimpses of Susan May Pratt (this page), Cameron Richardson (opposite top and bottom) and Ali Hillis (opposite middle)!

SKIN SIDE

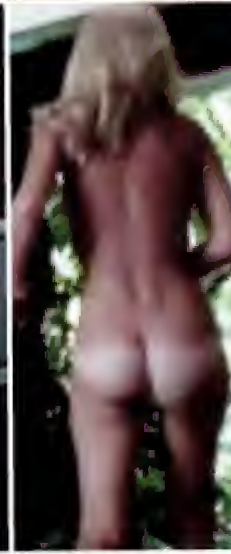

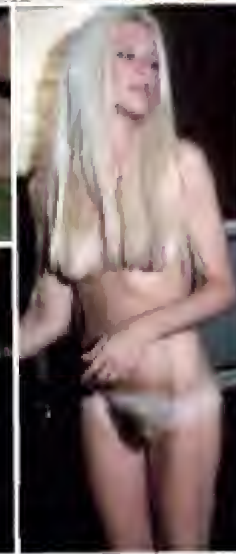

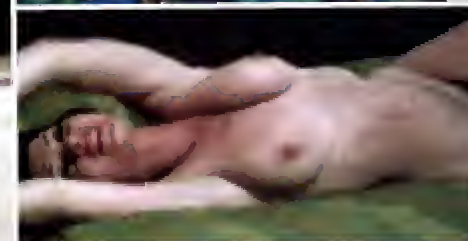

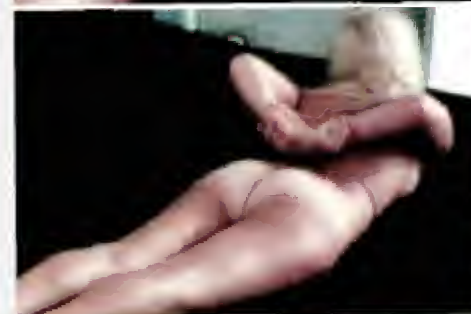

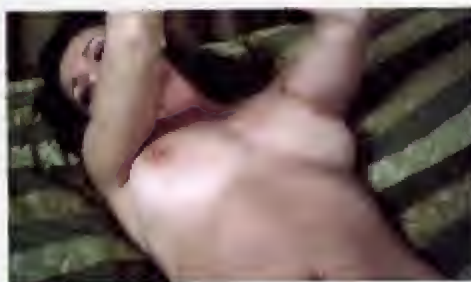

GINGER:

SUPER SPY IN A BIKINI

James Bond gets the girl, and Austin Powers gets the laughs—but neither one of those super spies look good in a bikini! That's why we have Ginger. This sexy super spy (played by Cheri Coffaro) starred in two of the most titillating tales of erotic espionage ever filmed: *Ginger* (1971, this page) and *Girls Are For Loving* (1973, other page). See for yourself why this "blonde girl" puts any "Bond girl" to shame!

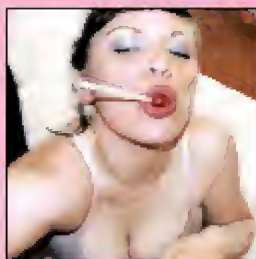

VERY BAD PORN

By Keith Whitener

Anyone can make good pornography, but only a select few have the guts, brains and intestinal fortitude to strive for the honor of being known as the Ed Wood of smut. That's why we wanted to meet up with the mastermind who spawned *verybadporn.com*, a site dedicated to lowering the bar of adult content. Under the guise of his porn alter ego Chelsea Humboldt, Chicago comedian T.J. Miller is filmed having lukewarm "sex" scenes with hot ladies. Join us as we discover how this mediocre media mogul managed to rocket to the middle of the Internet sex trade.

CS. Where do you usually find the hot girls?

T.J. We do it all different ways. There's a lot of literature on it that I read up on. You can put ads in *Craigslist*, and for a while we had an ad in *Craigslist* that said, "Come to a model audition calendar shoot," but then the first girl came, this girl Melody, and got super mad. She was like really pissed off and I felt so bad about misrepresenting what we're doing. We changed the ad to explicitly say, "Come have sex for money with me. You know, it's not necessarily a lot of money, but we can talk about the money." We haven't really gotten many

responses for that one. You can also put ads in the paper and we drive around sometimes and just ask people, although that's led to a couple of run-ins with the police. Definitely, there's tons of ways. You just have to be creative.

Celebrity Skin What inspired you to start *verybadporn.com*?

T.J. Miller I saw a lot of amateur porn. Like, I'd watch a lot of it. And it seemed pretty easy in general. They just have a camera, and they've got the girls, and we already had a camera. We just needed to get girls. I figured it'd be a good way to make money. I think every guy kinda wants to be a porn star and I'm a guy, so it was a natural thing.

CS. You mean "bad" like Shaft, right?

T.J. Yeah, it's pretty badass porn. There's not a lot of [unused] porn URLs out there. You'd actually be pretty surprised. We looked for hotchicks.com and really searched through a lot of domain names. We got *superhotsexwithgirls.info*, but that one crashed. That was one of the ones that was available and we wanted it to be super hot. Just some really bad ass porno.

CS. Your site seems to be just you having sex with hot ladies, but did you consider having a theme like you having sex with hot nurses or hot schoolteachers?

T.J. We try to do everything. There's a MILF video, which actually ended up being pretty bad for me, but I think it still had some good parts. We try to do all sorts of different stuff. If I had my way it'd be super hot sex with nurses, doctors, orderlies, and just whatever in the medical profession. I'd have sex with all kinds of different professions for sure.

CS. Are there any professions that you wouldn't have sex with?

T.J. I feel like maybe railroad engineers because traditionally they're more hardened men, and engineers like aerospace engineers. I think I'd feel self-conscious a little bit.

CS. How many people does it take to make Very Bad Porn?

T.J. My friend Dylan Thomas is the director and one friend of mine is the script writer for it, so he writes the scenarios, helps on set, and there's always a boom mic operator. We have an A.D., Scott, but he doesn't do a whole lot. Usually we just have to keep him out of the shots because he gets into a lot of the shots. You just need a camera guy, me, and however many hot girls. If it's a huge orgy thing, then you need a lot of people. You need like five people.

CS. Were you nervous when it was time to do your first scene?

T.J. Yeah. I still get nervous before every scene and after certain scenes. Some scenes still, I'll be nervous for an hour, three hours, and on into the evening.

CS. What do you do to get in the right mental state to perform?

T.J. I watched a documentary on Ron Jeremy and he has his own thing, and I think different people have their own things. Sometimes I'll go into the bathroom and I'll just look into the mirror and be like, "You're the fucking man. You can do this. You're definitely going to maintain an erection today. You can do it. You've got to get out there. Get out there and do it with this girl." Just a lot of talking to the mirror loudly. That usually really works. Well, sometimes it's hard because we usually have only one bathroom in the hotel room and you can't even imagine how many people have to go to the bathroom when you've got like six or ten people on set. A lot of times I'll be interrupted and I'll have to leave and then I want to come back in but somebody's trying to go to the bathroom. It's hard to concentrate if it gets broken up. Sometimes it doesn't work so well.

If I had my way it'd be super hot sex with nurses, doctors, orderlies, and just whatever in the medical profession.

CS. Do hotels have any qualms with you filming movies in their rooms?

T.J. We don't usually tell them, which can sometimes be hard because if a hotel manager knocks or sometimes we order room service and we forget to stop the scene in the middle of it so then you've got some guy coming up with Croissantwiches and we're in the middle of having sex. That can be a bad thing, but a lot of hotels, I feel, turn a blind eye.

CS Once you get into porn star mode, is that hard to turn off?

LJ I try to leave my work at home. Or, at a hotel. I try to leave my work at a hotel. A lot of times when I'm out I'm not just thinking about sex. Like, at a diner I'm thinking about, "What am I going to order?" and just try to become friends with the waitress and maybe later I'll ask her if she wants to have sex with me on the Internet site, but that just depends on if we hit it off.

CS How do your friends and family feel about your profession?

LJ That's one of the hardest things. My dad is pretty pissed. He's not into it, and my mom is really supportive in general. But it's almost like she's too in support of that whole world. That's actually pretty awkward. I don't want to talk about it that much. It's hard and you have certain friends that are like, "What are you doing?" You know. But if you really wanna go for something I feel like, in America, you have to really go for it. It's America. You've seen *MTV Cribs* and stuff like that. You know that those guys worked hard and they did stuff and people were probably like, "You shouldn't rap, Ludicris. You shouldn't be an actor, Ludicris," which I actually agree with, but they just say, "You can't do this," and you just gotta do it. It's something that I really wanted to do and I went after it and I feel like if people say that they want to hate on me, like a player-hater or a porn-hater, then I just gotta keep going.

CS Growing up, what was your introduction to porn?

LJ First porn I saw was a pretty weird porno. It was a circus porn with a midget in it. Then I saw another one with Peter North and he was a detective. He unzipped his pants, took out his thing, and said, "This is a lethal weapon." I remember thinking, "Wow, he's acting and about to have sex with this girl." I've been watching it since I've been really young for sure. Then, when it started getting on the Internet I watched it a lot more.

CS Do you think more should be done to keep Internet porn out of the hands of kids?

LJ I think enough is done. I think people get really crazy about preventing people from watching pornography. We have a splash page that says, "If you're eighteen and over you can come in or if your eighteen and under you can also come in," but as soon as there's sexual content we gotta take that off. I'm not trying to push what I do on other people. You wouldn't have a baseball player pushing baseball on kids. Well, I guess there's little league and stuff. That's a bad analogy, but you know what I mean, I think.

CS Some people argue that pornography is demeaning toward women. What is your response to that criticism?

LJ We try to make our stuff super hot for both sexes. We want men and women to both like what we're doing. The last thing that I ever want to do is be exploitative to women in any shape or form. I'm always trying to make these girls feel good and that's just the way I was brought up, for sure. If I'm going to have this super hot sex scene and I'm going to pay the girl, I make sure I'm really polite and I want to make sure that she has plenty of coffee or food. I just try to be the best I can while still paying women to have sexual intercourse with me.

CS What do you think of the current state of sex education in America?

LJ There could be some improvements. We've been thinking of doing an educational video in case a kid does stumble onto the site then, maybe, they can go to this under eighteen video that's more of an educational thing where it's me just talking about sex and some of the girls are talking about sex—about how to do it better and how to make it more super hot or less super hot depending on who you're with and that sort of stuff.

CS Do you think that there's too much sex on TV, not enough sex on TV, or just the right amount of sex on TV?

LJ I think there's a pretty good amount. There's always room for more online, you know?

CS What do you think is the sexiest show on TV?

LJ I don't know. Maybe *According to Jim*? Actually, I don't watch tons of TV.

CS What do you think are some shows that could benefit from more sex?

LJ Oh boy. Jeez. A lot. *The Simpsons*, *Grey's Anatomy*, *Bill Nye the Science Guy*. The list goes on and on.

CS You mentioned that you don't watch much TV. What do you like to do in your free time?

LJ I look at a lot of other porno to be up to date with my peers and competitors. I listen to a lot of hip-hop and go out and try to get into clubs with friends. I go to bars. Lately I've been reading a lot more. I'm especially into ethnic divergence and conflict through out history. Stuff like that.

CS Are there any trends in the adult entertainment industry that you'd like to comment on?

LJ There has been a slight trend of putting your member through food. I saw a site, *Big Sausage Pizza*, and he puts his penis through a pizza and sort of delivers it. I think that's a very different sort of genre and it's a whole thing and we've been talking a lot about should we do that with a sandwich or a salad, a garden salad. I think we are going to try to do it with a pizza, as long as it's not too hot. That's one trend that I've seen. It's just one site, but I think it's the beginning of a trend. Or the end of it.

CS Where do you see pornography going in the future?

LJ I think you're going to continue to see more and more specialized sites and then some that are just trying to be high quality and across the board good. There will be more and more fetish sites and it'll be more and more specific to the point that you'll be able to go to a site and see just missionary position pornography. Honestly, I think you're going to see a lot more amateur porn. I think people like to see people like them have sex with people who are like them, but are different people from them.

CS Why should people visit *Verybadporn.com*?

LJ Because it's super hot. We've got super hot girls on there. I'm like a regular just like any regular guy in America, but I'm having totally hot sex and we're just doing our best. We're just doing out best to try and get it up—pornography! To get the pornography up!

FRESH FLESH

Before we kick off our special Spring Break Issue, we know you want some of our newest *hand-spanking* nudes. School is out and Fresh Flesh is always in!

SIENNA MILLER

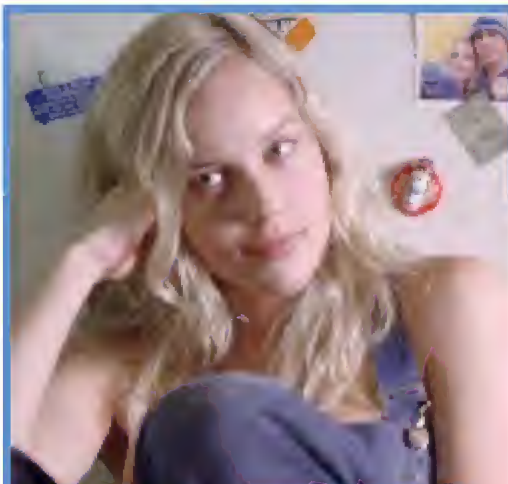

BORN: December 28, 1981, New York, NY

SEXY SIGHTINGS: Production levels of liquid-love will be peaking in palms worldwide when we finally get to see Sienna play Edie Sedgwick in *Factory Girl* (2006). Luckily Miss Miller decided to fill her free time with a topless romp on the beach, while paparazzi prowled the shoreline looking for skin. We feel obligated to share these shots with our fellow man—you might say it's *dude law*!

MILLER GENITAL DRAFT: *That warm breeze you're feeling between your legs is probably just your imagination, but when Sienna brews her breasts under a sunny sky, you won't be the only one feeling the summer cumming soon!*

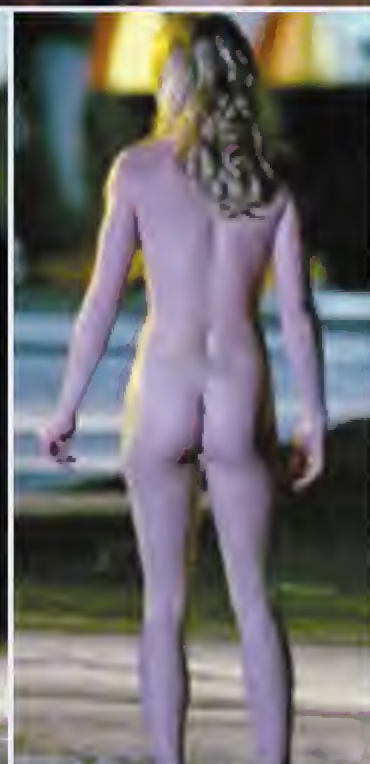

ABBIE CORNISH

BORN: August 7, 1982, Lochinvar, Australia

SEXY SIGHTINGS: Cornish shows off her sweet, sweaty outback-body in *Candy* (2006, this page and opposite top), a tongue-flicking film that has her playing a junkie addicted to the prick of Heath Ledger's needling-knob and sordid side of heroin. You might remember throwing your *boner-rang* around the room when Abbie tumbled topless in *Somersault* (2004, opposite bottom).

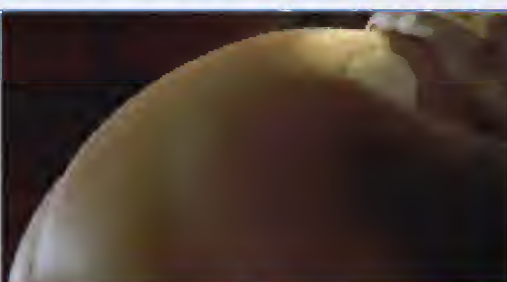

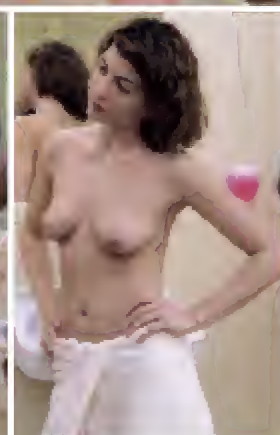

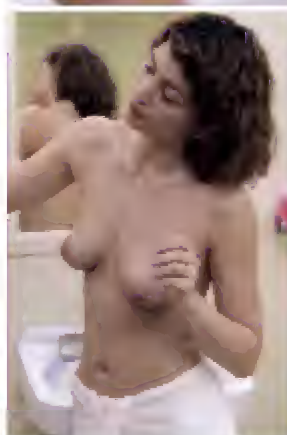

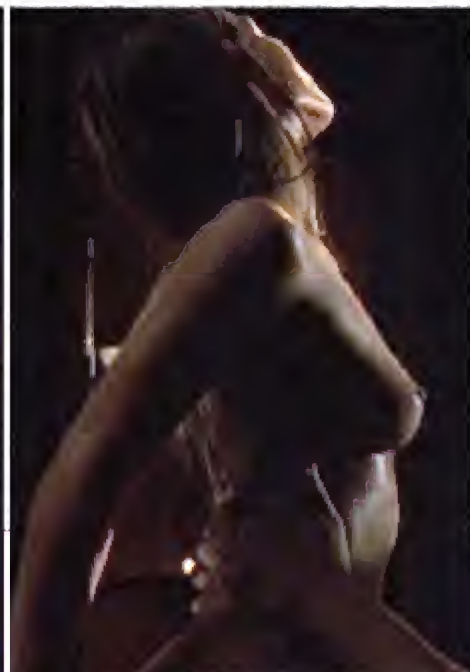

RYAN FILL-UP-ME: Word was that Abbie's sweat-teats broke-up the Phillppe-Witherspoon marriage. When thinking about Cornish sucking on our hard candy, we can hardly blame the guy for blowing it with Reese's pieces.

JACLYN DeSANTIS

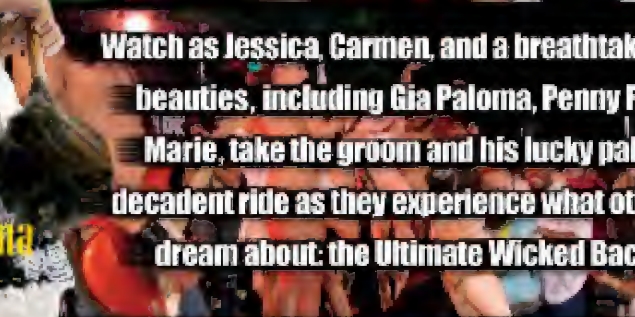

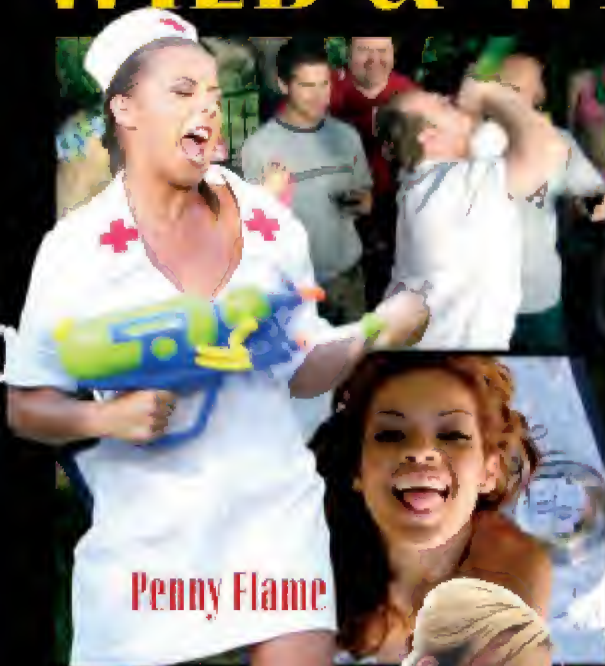

SEXY SIGHTINGS: Possibly the only good thing in *Carlito's Way: Rise to Power* (2005, below and this page top) is the phallic-fact that DeSantis goes sans pants in this supposed prequel to the De Palma original, which is plenty of poon to put a rise in your puffy clit-comb. In the other hand, an after hours viewing of *Road Trip* (2000, this page bottom and opposite page) will provide you with a fantastic view of Jaclyn's jackable jugs. Now that's one rack worth the ride!

DIDDY DIDN'T DO HER: *She might have shared screen time with the millionaire music mogul in *Carlito's Way: Rise to Power*, but they didn't share any cream time. We'd like to think she was saving those bouncing Biggie Smalls for us!*

WILD & WICKED BACHELOR

RINKO KIKUCHI

BORN: January 6, 1981, Kanagawa, Japan

SEXY SIGHTINGS: This import from the the East had us clutching our cock-sticks with her powerful performance as the labia-babbler in the Oscar-baiting *Babel* (2006, spread). The plot jumped around a little too much for our liking, but Kikuchi's crotch kept us stiff at attention. Her full-frontal foray may not win her Best Actress, but it certainly left us beating, bewildered and babbling!

RINKO FIRE!: Seeing Kikuchi's coochie in *Babel* will raise a tower in your pants. This Japanese jewel had movlegoing men so horny that they were pulling out their U-dong noodle and dreaming of filling her cup o' nookie!

LAKE HAVASU, ARIZONA

When in Rome, do as the Romans do. But when in Lake Havasu, Arizona, ladies, take off your top! That was the battle cry of hundreds of hooter-hungry men all along the lake who came to ogle at the succulent bodies of professional nudie-cuties like Amanda, Isabella, Erika & Adara (opposite, left to right). But there was more nudity in the form of a cadre of coed cuties who soaked their shirts and popped their tops for snap-happy shutterbugs. As we found out, visit Havasu, and odds are you'll *have a boner!*

PANAMA CITY, FLORIDA

Panama City is known for its pleasant weather, fishing, old people and...oh, yeah, *tits*! Luckily we found this out the very hard way when we paid a visit to this veritable "Titty City" for spring break. Sexy centerfolds Shauna Harris, April Erikson, Gina St. John & Kimberly Kapture (above, left to right) brought the house down by taking their tops down, but there were plenty of student bodies willing to put their tee-shirts under the hose. It's a safe bet that a lot of hoses were firing during this *teases-in-tees* contest!

KEY WEST, FLORIDA

The Florida Keys runs all the way from Key Largo to Key West, the southernmost city in the continental U.S. That leaves a lot of room in which to party! Our bountiful bombshells Taylor Simms, Shelly Jones & Darrien Vain (opposite top, left to right) brought a top-shelf selection of boobs, but thanks to spring break babes—from the Universities of Florida and Alabama—there were plenty of A-plus tits to go around! When girls got naked (this page and opposite bottom), some even used whip cream to “cover up!”

SPRING BREAK

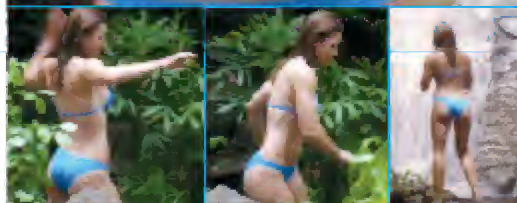

Spring Break is a time to thaw your dormant-dong and hit the beaches for a look at coastal-cuties' cleavage, teenagers in thongs, and Hollywood's hottest topless tarts!

JESSICA BIEL

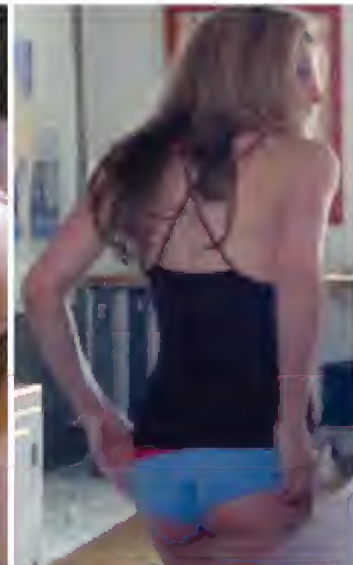

BORN: March 3, 1982, Ely, MN

SEXY SIGHTINGS: Biel's top-tier status in Hollywood is continuing to heat up with a high-profile relationship with base-baller Derek Jeter and a few solid performances. Jessica had nothing to hide when it came to bikini pride in *Stealth* (2005, below)—where her bikini ended up matching the color of our balls! We wouldn't mind giving her back a few fingers of our own....

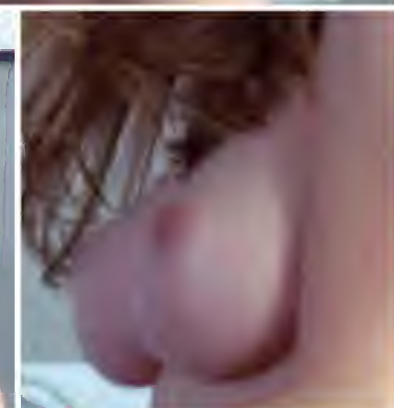

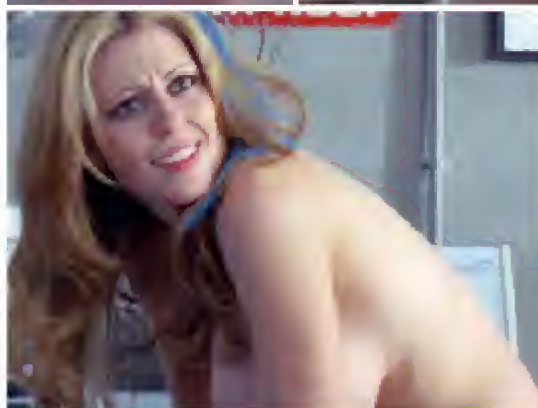

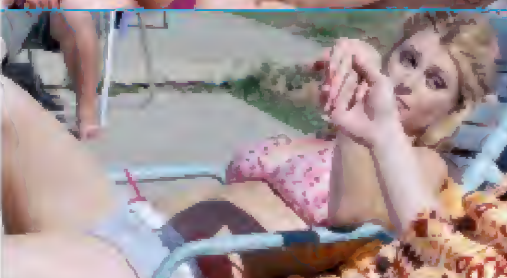

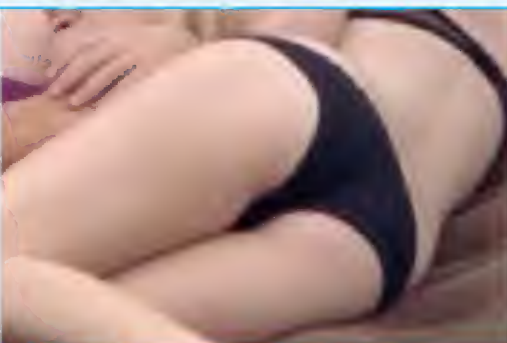

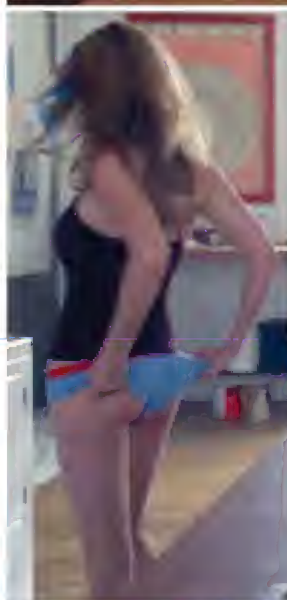

NEW YORK YANK-ME: Jessica sure seemed to have of good grip on the handle of that paddle. We're betting that boyfriend Derek Jeter would find himself on the end of a spanking by Biel if she should ever get caught playing the field.

DIORA BAIRD

BORN: April 6, 1983, Miami, FL

SEXY SIGHTINGS: Last year was busy for this temptress, as Diora "Double-D-licious" Baird busted out her top-heavy acting-tips in *Hot Tamale* (2006, this page) and *The Texas Chainsaw Massacre: The Beginning* (2006, opposite top). If you haven't *Accepted* (2006, below) the fact that Baird's chest rules the school, you'll have no idea why you always find yourself studying hard!

WEDDING FLASHERS: Spring break is no time for the married man, so for those of you feeling the sting of the ring, we recommend popping in *Wedding Crashers* (2005, above), and giving your growing-groom a good grab!

CANDACE KROSLAK

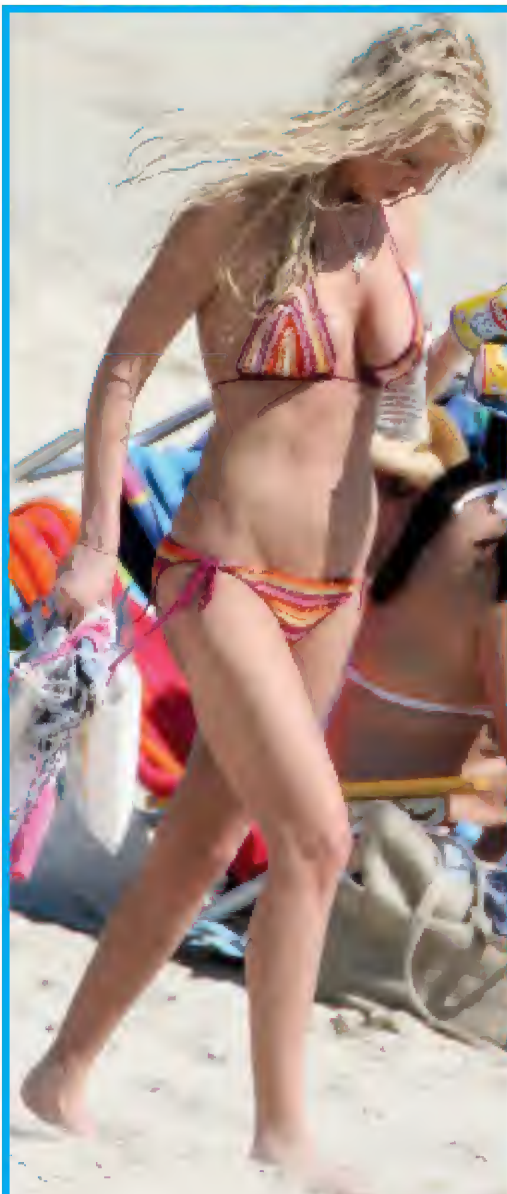

BORN: July 1, 1978, Los Angeles, CA

SEXY SIGHTINGS: Kroslak's tremendous two-pack had us blowing our spring break load in *American Pie Presents The Naked Mile* (2006, spread), the best film from last year about running that'll have you *cumming*. This knee slappin', cock whackin' farce has Candace stripping down and showing off her pole-pushin' ass-cushion, making it one of our favorite camp-ass comedy!

PERFECT-TEN MILE MAMM-ATHON: We think Kroslak should change her first name to *Candy-Ass*, because when her tasty-tush starts to jiggle when she jogs, the only thing we can think about is how sweet that muff-meat must be!

TARA REID

BORN: November 8, 1975, Wyckoff, NJ

SEXY SIGHTINGS: No Spring Break would be complete without everyone's favorite skin-baring booze-hound. We first got a lop-sided look at Tara's ability to fill-out a bikini when she played the bubbly Bunny in *The Big Lebowski* (1998, below). Her follow-up role in *Body Shots* (1999, bottom and opposite page) helped explain why we always wanted to lick'er up this ditsy-diva!

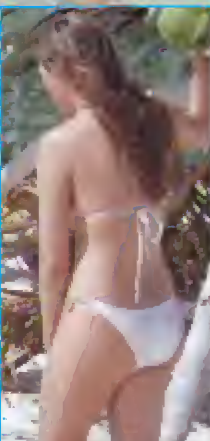

HAIR OF THE DONG: Unless Bloody Mary is the name of her plastic surgeon, we're guessing that Tara probably tries to stay away from the girly drinks. But titillating Tara keeps her ready-to-tap chest-kegs bouncing both on and off screen!

KELLY BROOK

BORN: November 23, 1979, England, UK

SEXY SIGHTINGS: We couldn't truly represent Spring Break without Brook's bikini-busting break in *Survival Island* (2005, below and this page top). Our favorite castaway's coconuts filled the screen for most of the *mammtastic* movie, inflating our life-shaft while driving co-star Billy in-Zane. We're sure he'd be the first to admit how *hard* it was sharing the screen with Kelly.

LIFE IMI-TITS ART: Whether it's going bare on the beach for film crews, or just bouncing those soft-sandbags around for the peeping paparazzi, Brook doesn't seem to mind the added baggage of being one of Hollywood's well-endowed divas.

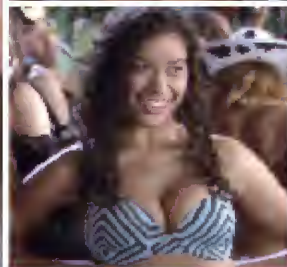

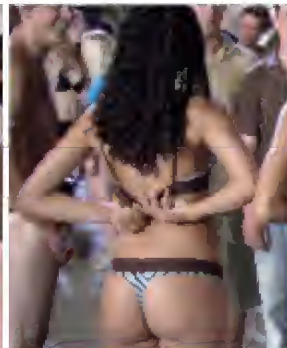

KATE MOSS

BORN: January 16, 1974, Surrey, England

SEXY SIGHTINGS: From a recent romp on a nude beach in Thailand, Moss and her waifish womanhood once again gleams golden for a camera. As the catwalk's most controversial—and constantly nude—icons, it's not hard to see why Kate puts the *super* in supermodel. Speaking of putting things in, we wouldn't mind acting like a Libertine and letting Kate *Doherty* our Peter!

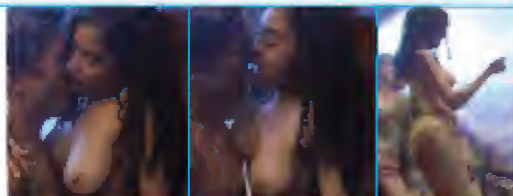

ROLLING MOSS GATHERS THE STONED: *There's little left of Kate's well-advertised terrain to be uncovered, but if anyone can still get high on that mossy-muff, it's boyfriend Pete Doherty, who has a nose for the finer things in life.*

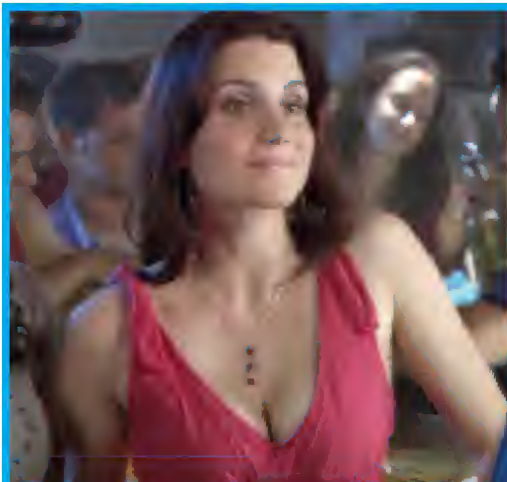

ANGEL LEWIS

SEXY SIGHTINGS: The *American Pie* franchise has built its sex equals success formula by pumping out everything from poundable pastries to banging band-camp cuties. With their latest, *American Pie Presents: The Naked Mile* (2006, spread), you'll be burning off a few of your spring-break boners as Angel's heavenly body gets our vacation-masterbation started off on the right hand. Her ample ass and shootable-hooters make our work load a little lighter.

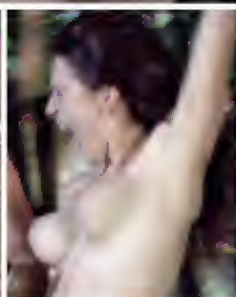

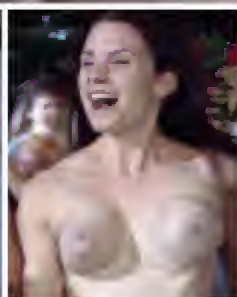

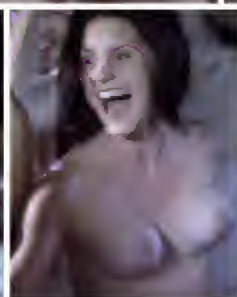

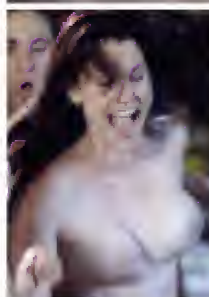

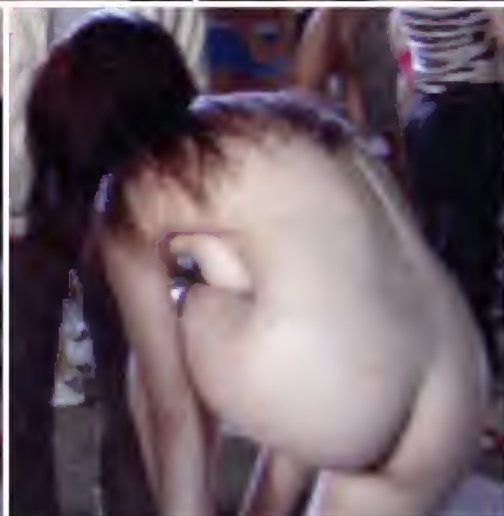

LEWIS AND STARK NAKED: *Angel's resume of raunch may still be in freshman status, but that doesn't mean there isn't enough to ogle. In The Naked Mile, you'll be exploring her titillating territory for quite a while.*

JACLYN A. SMITH

SEXY SIGHTINGS: Mrs. Smith makes her big screen debut in the sperm-sprinting *American Pie Presents The Naked Mile* (2006, spread). Jaclyn's jugs will have your dong doing jello shots in your palm as her full moon will have you howling at her post-pubescent poon. Apparently she does her best running in a birthday suit as she takes on her collegian competition in the funniest film to feature a long-distance race that'll leave the lame *limping* towards the finish!

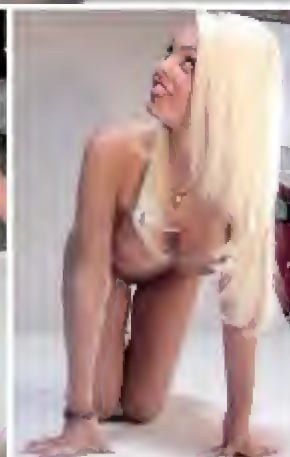

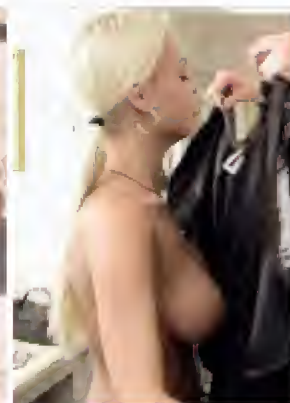

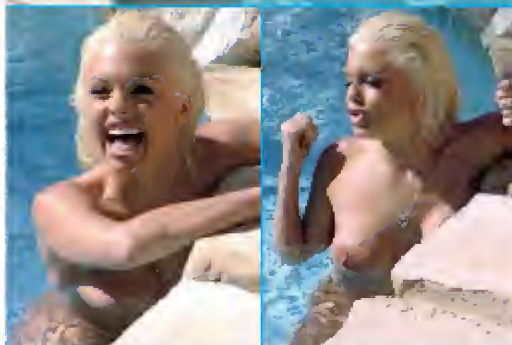

NAUGHTY-CAL MILE: When it comes to kicking ass this Jaclyn is no Charlie's Angel, but when it comes to showing off her ass, she leaves the cum-petition all wet. You can find us in her winner's circle-jerk, pillaging her American hair-pie!

JESSE JANE

BORN: July 10, 1980, Fort Worth, TX

SEXY SIGHTINGS: In the cock-umentary *Thinking XXX* (2004, spread), Jesse shows us the more intimate side of an adult film star. As she playfully parades her pruriently pleasing T&A around the pool, we can't help contemplating taking a skinny-dip of our own into Jane's not-so-unknown nookie. This blonde beauty is the perfect-ten addition to our pocket-poolside fantasies.

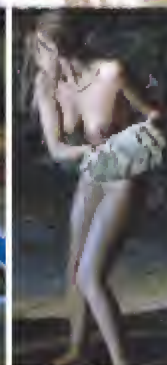

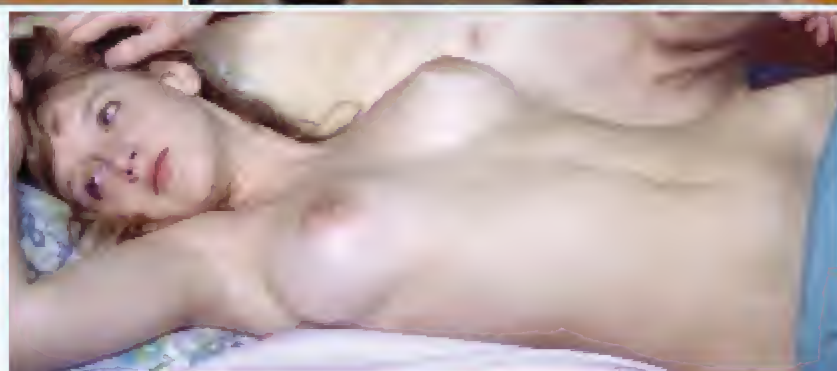

LUDIVINE SAGNIER

BORN: July 3, 1979, France

SEXY SIGHTINGS: American audiences were given a warm welcome by the Ludivine in the mysterious thriller film *The Swimming Pool* (2003, this page), in which she spends most of her time by the water sans bikini. The biggest mystery is why anyone would ever want to cover her full-bodied bosom. This French phenom's fun in the sun requires lotion and plenty of back-and-forth motion!

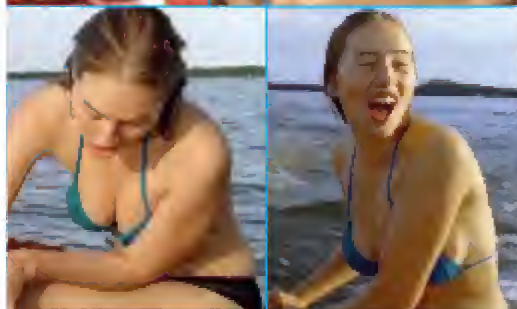

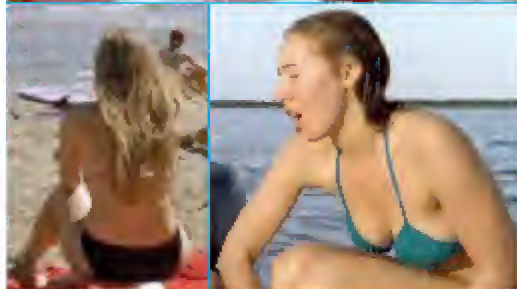

CUM DROPS FROM YEARNING COCKS: Before she hit the pool, Sagnier seduced us with her beautiful shoulder-boulders in *Water Drops on Burning Rocks* (2000, this page). Steam is still cumming from our pounding-pebbles!

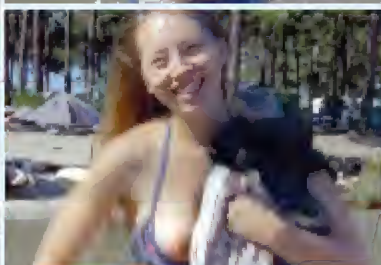

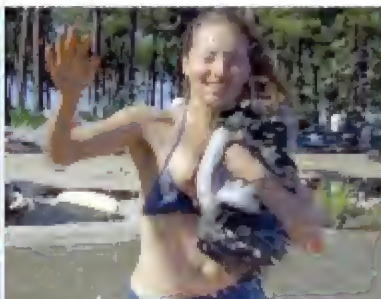

ISILD LE BESCO

BORN: November 22, 1982, Paris, France

SEXY SIGHTINGS: This untamed tart from France made our stay at *Wild Camp* (2005, spread) a week to re-mamm-ber. In this erotic thriller, Isild plays the tempting teenager whose backwoods boredom turns into one man's back-door delight. Her perfect Paris-pair will have you pitching a pulsating tent in your crotch while you enjoy all the booty that mother nature has to offer.

HAVE JUGS, WILL TRAVEL: While some of you probably spent your spring break backpacking across Europe, Le Besco had her backside packed by one lucky Frenchman who had this cunning linguist speaking in tongues.

LINDSAY LOHAN

BORN: July 2, 1986, New York, NY

SEXY SIGHTINGS: As one of our favorite destructive celebutes, Lindsay never leaves us hanging for too long when waiting for a camera-worthy moment. Here Lohan gets *mamm*-handled by her fiancé, who is always happy to offer some much needed support. She's had an up-and-down year, but we're always *up* when it comes to dreaming about watching this dirty diva *going down*!

ACTING OUT: Despite last year's very public problems, Lindsay did manage to flee the party scene, put on panties and cover up her breasts for an occasional acting gig such as *A Prairie Home Companion* (2006) and *Bobby* (2006).

MICHELLE MARSH

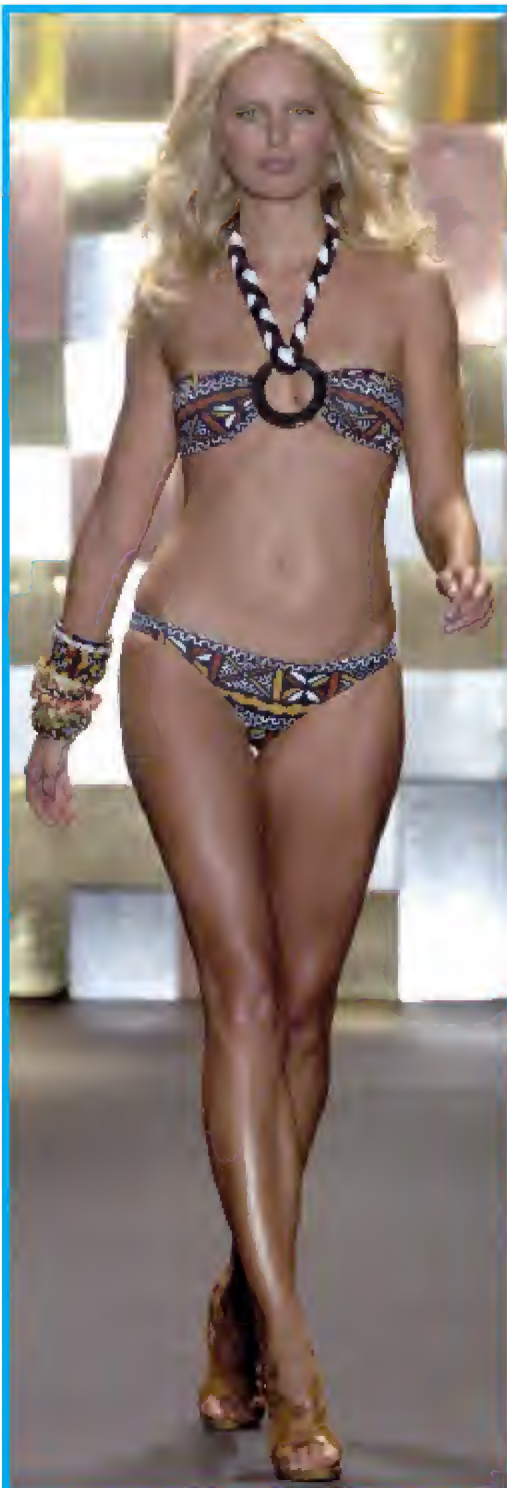

BORN: September 30, 1982, England, UK

SEXY SIGHTINGS: This English glamour model puts the *chest* in Manchester. Her fish and *tits* have been featured in everything from lads' mags to bikini competitions. Michelle's mounds may be helping her musical career as she released her first UK single last year titled "I Don't Do." From the look of these prick-pleasing pics, we have a feeling that there's very little she'll say no to!

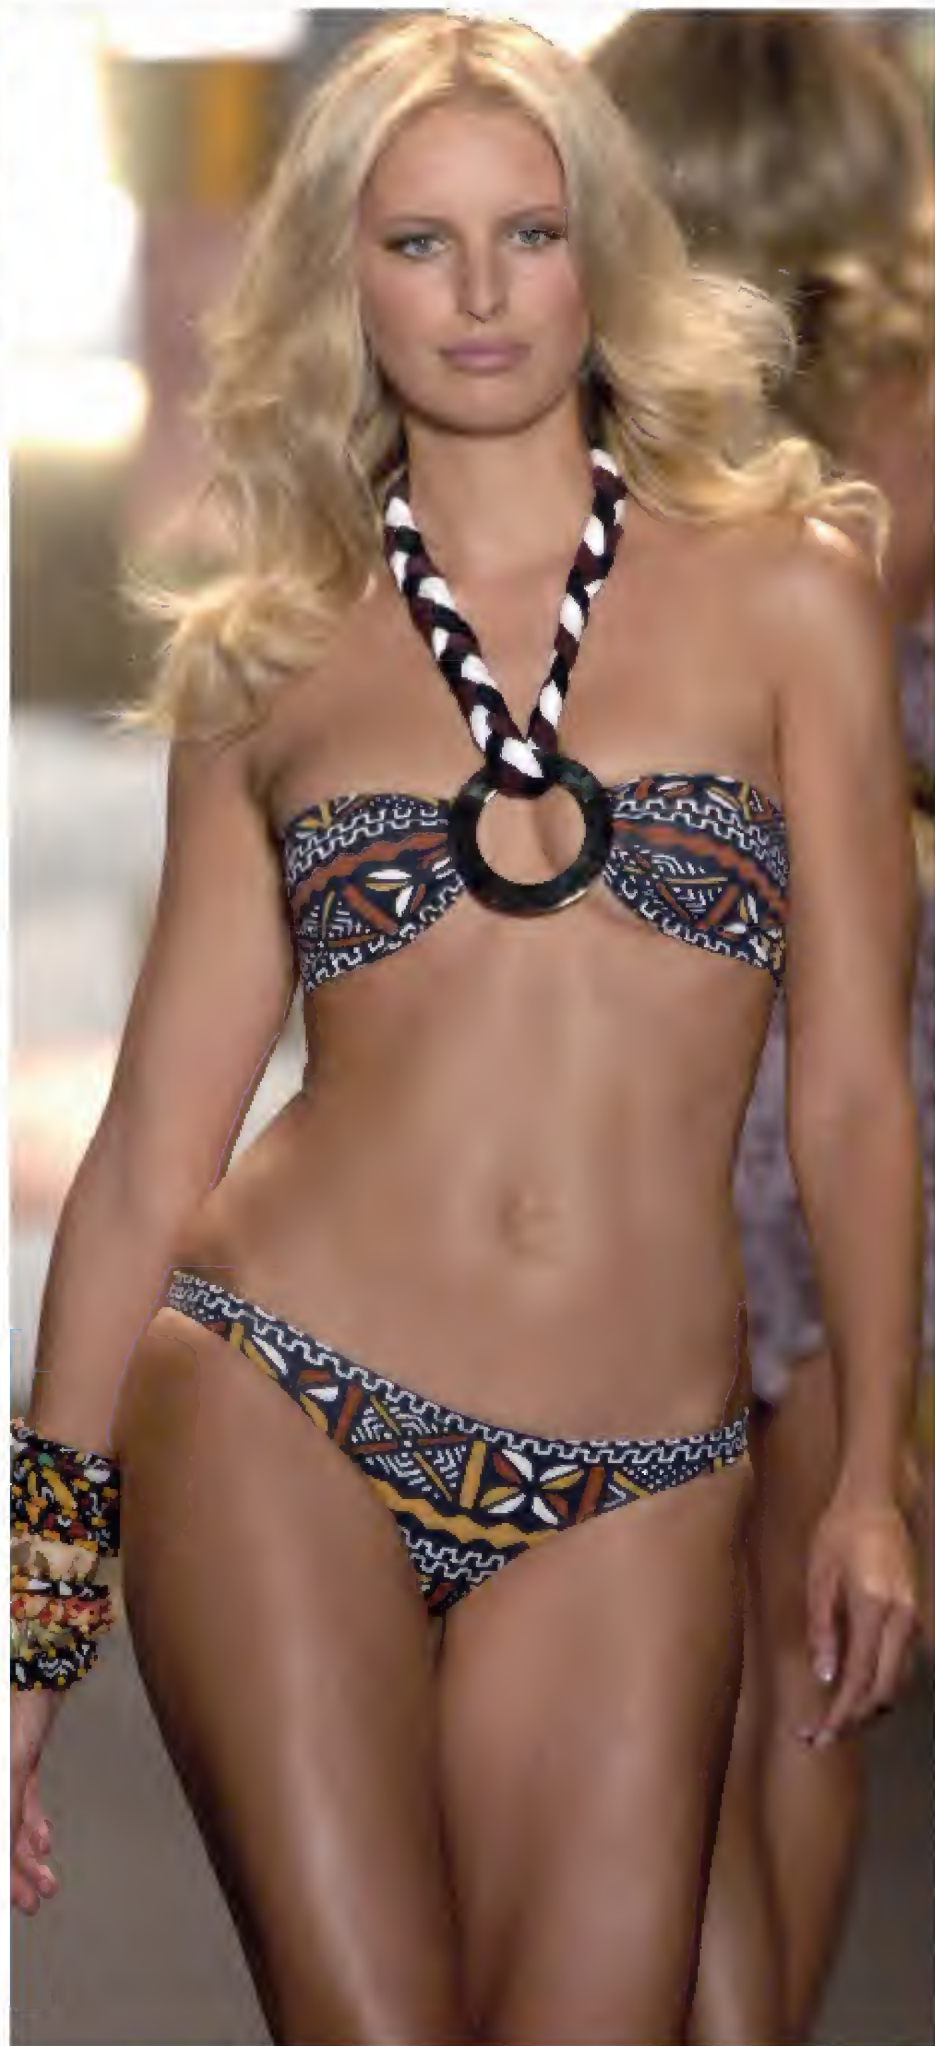

TWO PINTS OF TAIL: If you get a chance to pull your pupils away from Michelle's mammoth milkers, take a gander at her British bum. That English ass will sober-up your Bony Blair just in time to peg her keg with your throbbing third-leg!

KAROLINA KURKOVA

BORN: February 28, 1984, Czech Republic

SEXY SIGHTINGS: Although Kurkova is set to make her big screen debut later this year in the dramedy *My Sexiest Year* (2007), she is known globally as the face of Victoria Secret. We tend to think of her more as the tits and ass of the leader of lingerie and these pics of a recent photo shoot only seem to reinforce our thinking. In our dreams we're always helping her out of those clingy clothes!

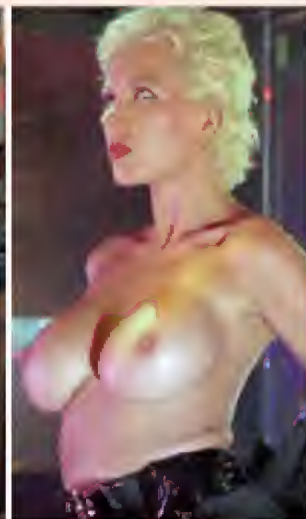

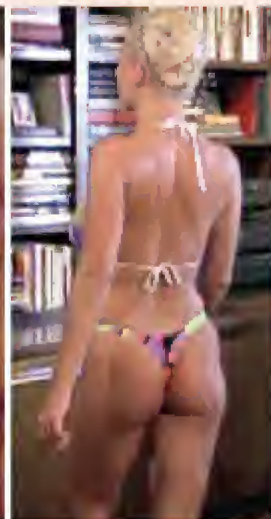

HAUTE COOCH-URE: Fashion designers love this Czech with pecs who has muscled her waifish-way to the top of the modeling world. Whether it's spying on her southern-slit or her northern-knockers, this Karolina is always on our mind!

BIKINI BABES

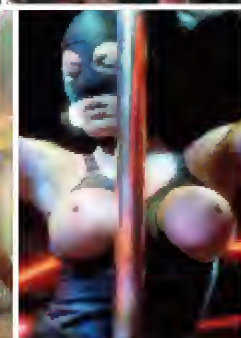

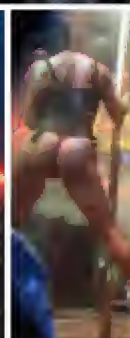

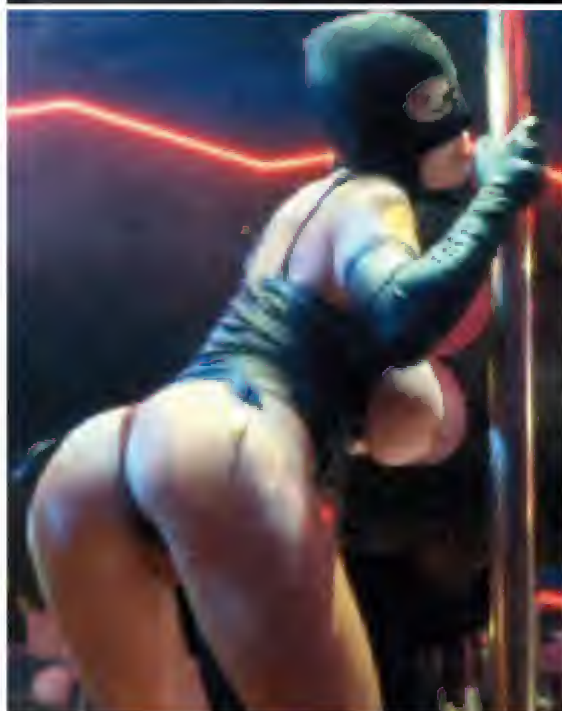

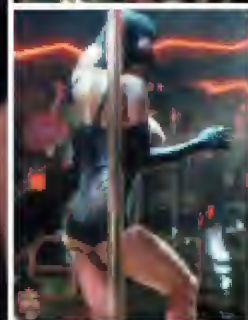

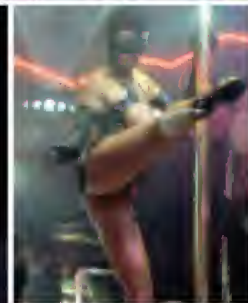

B-movie beauties have a titillating talent for busting out of bikinis. It's this fondness of being in the buff that'll have you beating your swimming trunk to their moist muffs!

JULIE K. SMITH

BORN: August 18, 1967, Germany

SEXY SIGHTINGS: There's not a piece of fabric fierce enough to hold Julie's German jewels in place when they plop in front of your face in *Day of the Warrior* (1996, bottom and opposite page). Director Andy Sidaris brought us this knockout from Nuremberg, who caused a rally of mass hysteria with a ravishing *Return to Savage Beach* (1998, below and this page top).

DAY OF THE FURRIER: Julie's one lethal lady who seems to have a fetish for fur. From zebra stockings and leopard-print bikinis to a pole-hound catsuit, our deadly desire rests firmly on the fur that's hiding a pelt that loves to get felt!

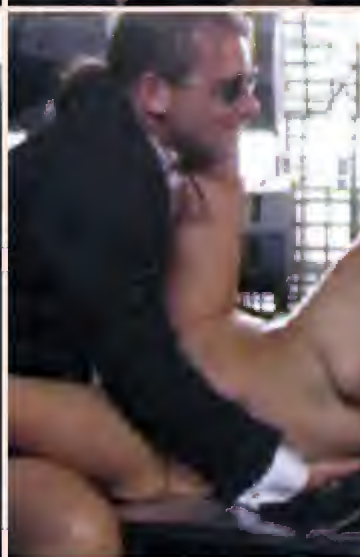

SYREN

BORN: May 21, 1971, Hawaii

SEXY SIGHTINGS: If you find yourself having a hard time getting off to the earth bound beauties parading on the beaches this break, get adventurous and check out the *Bikini Girls from the Lost Planet* (2006, spread). Starring Syren with her signature snatch-attacking style, you'll be firing your intergalactic goo just as fast as these space-station sluts rip off their battle-star bikinis!

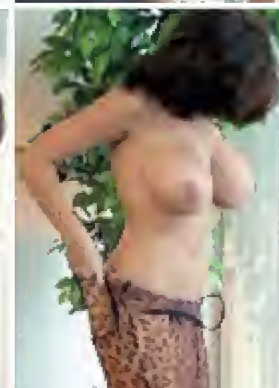

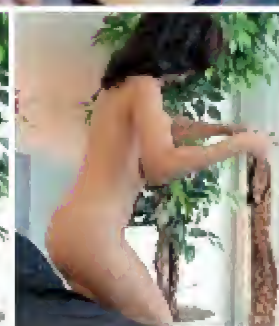

LOST IN SPLATTER SPACE: Your lunar-liquids will splash in space as you experience ultimate zero grab-a-titty. See Syren's labium launch-pad get waxed by a bevy of solar-sirens who cum-bine g-string theory and the big-bang!

SHAE MARKS

BORN: June 1, 1972, New Orleans, LA

SEXY SIGHTINGS: The forces of evil never had a chance once Shae's submergible chest-missiles began fighting for the good guys in *Return to Savage Beach* (1998, this page). We'd sure like to help Shae lug those wet-suit shooters in and out of the choppy surf. If you're looking for more explodable-loadable boobage, see those 34DD's in *Day of the Warrior* (1996, opposite page).

SEX MARKS THE SPOT: While looking for a cure for world hung-er, we found Shae's buttered beaver biscuits, which will feed an entire country of lactose-lovers! Shae is a smorgasborg of succulent surprises just waiting to be devoured!

NICOLE SHERIDAN

BORN: May 7, 1975, Pennsylvania

SEXY SIGHTINGS: Razor-burn wasn't the only thing haunting Sheridan's snatch-hatch in *Ghost in a Teeny Bikini* (2006, this page). It turns out that Nicole likes to play a ghoulish girl with gusto. Her tiny two-piece came off just as quick in *Bikini Girls from the Lost Planet* (2006, opposite page), another oozy-doozy that features Nicole's horny-hole front and center!

THE SHERIDAN HOT-TAIL: Looking for a place to stay on that last minute business trip? Nicole has plenty of vaginal vacancies just waiting to be filled, with free cunt-inental breakfast, you'll get the best bang for your buck!

AMERICAN PIE PRESENTS: THE NAKED MILE (2006)

STUDIO: Universal Home Video

NUDES: Candace Kroslak, Alyssa Nicole Pallett, Angel Lewis, Jaclyn A. Smith

THE SKINNY: The second direct-to-DVD *American Pie* sequel, *The Naked Mile* leaves all its predecessors looking flaky when it comes to female nudity. Overshadowed by his family's party-hearty reputation, Eric Stiffler (John White) is dispatched to a local college to learn the ways of lust. His education culminates in the titular event, in which more than 200(!) nude coeds streak on camera. It will leave you a mile long.

EXTRAS: Documentaries "The Naked Mile," "The Yoga Guide to Getting Girls," "Little People, Big Stunts," deleted scenes, outtakes, trailers.

ANGST (2003)

STUDIO: MTI Home Video

NUDES: Fiona Horsey, Amy Steel, Beth Steel, Jaye Macauley

THE SKINNY: Fiona Horsey plays a young lady who suffers from *Angst*. More specifically, she's afflicted with a vagina that's got a mind of its own and it constantly craves...fulfillment. That leads to guilt and confusion for our heroine, but also leads to a lot of stunning sex in often surreal scenarios—and knockout nudity from Fiona as her *fur*-burger consumes all corners. Includes Jaye Macauley indulging in a daylight skinny-dip, and real-life twins Amy and Beth Steel revealing exactly how closely they resemble one another.

BLAZE STARR GOES NUDIST (1960)

NUDE: Blaze Starr

THE SKINNY: When a film is named *Blaze Starr Goes Nudist*, it's got a lot to live up—*take off*—to. Fortunately, the legendarily buxom, redheaded burlesque queen Blaze Starr makes good on the moniker of this drive-in favorite, playing herself as a put-upon starlet who aches for relief from the Hollywood rat race. The solution, naturally, is to be found at a clothing-optional health colony, where Blaze feels like she can finally fit in simply by peeling down. Of course, Blaze's stellar Starrs rocket head-and-shoulders above all the other disrobed sun-worshippers on-screen, making this Doris Wishman-directed opus a particularly arousing example of one of cinema's earliest "dirty movies."

THE BRINK (2003)

NUDE: Catherine Barlow

THE SKINNY: According to *The Brink*, Thomas Edison not only pioneered the light bulb, tape recorder and movie camera, but he also cooked up a doohickey that enables users to talk to the dead. Decades after Edison's demise, an engineering student comes across his blueprints and builds an afterlife hotline of her own. This being a horror flick, she obviously decides to try it out in a house where a bloodbath once took place. Guess who answers her call? That's right—the evil spirit who inspired the massacre in the first place!

DO YOU LIKE HITCHCOCK? (2005)

NUDES: Cristina Brondo, Chiara Conti, Elisabetta Rocchetti

THE SKINNY: Italy's all-time fright maestro, Dario Argento, pays homage to Hollywood's Master of Suspense in the clever thriller *Do You Like Hitchcock?* A young filmmaker (Elio Germano) finds his life turning into a bizarre series of freak-outs that all seem to have ties to Alfred Hitchcock's best-loved works. Better still is that Argento goes Hitch one better in terms of nakedness, exposing a series of female Roman ravishers in a manner we could only dream about when it came to Lord Alfred's demure screen star Grace Kelly.

GIRL MEETS GIRL (1974)

NUDES: Britt Corvin, Marianne Dupont, Marie Forsa, Nadia Henkova, Christa Jaeger, Gisela Kraus, Karin Lorson, Anke Syring, Birgit Zamulo

THE SKINNY: Under any circumstances, it's good to be a stunningly gorgeous Swedish teenager. In sexploitation director Joe Sarno's naughty nugget *Girl Meets Girl*, it's a recipe for all-out ecstasy. Maria Forsa embodies all the über-desirable qualities listed above here, as she moves into her sexy aunt's boarding house only to discover, to her delight (and ours), that the place is positively popping with lick-happy lesbian hotties. Now if you can find a better movie plot than that anywhere, Mr. Armchair Director, we dare you to whack off to it!

LESBIONAGE (2006)

NUDES: Aimee Sweet, Karlie Montana, Holly Morgan, Lindy Crystal, Clara G.

THE SKINNY: Agent Kelly Boobserfine (Karlie Montana) is a woman on a mission with a taste for lady-love and an apparent allergy to keeping her clothes on. Helga Von Dykesenberg (Lindy Crystal) is exactly the same way, except she's the enemy. So it goes in the *sappho*-riffic spy send-up *Lesbionage*. Catfights, cunnilingus, orgasmic contraptions and constant nudity for an alluring and always up-for-it all-girl cast turn this 007 spoof into a perfect 10.

EXTRAS: Photo gallery, trailers

SIDELINE SECRETS (2004)

NUDES: Cheri Lynn, Summer Smith, Ashley Steel

THE SKINNY: *Sideline Secrets* chronicles the bumpy road of a young male homosexual coming to terms with his lust for man-meat, and realizing that his covert boyfriend may be even rougher trade than he'd imagine. Somehow, this movie with that storyline also provides a showcase for a trio of sumptuously all-natural naked women. Cheri Lynn bares her pink-tipped ta-ta's in the bath, while Ashley Steel toplessly bounces on a dude's bone. Best of all, though, is stunningly heavy-hooted beauty Summer Smith. She's got a *mamm* for all seasons.
